## Fight Waged On The Price Control Bill

Urge That It Be Sent Back To The Committee

WASHINGTON, Nov. 26.—(P)—The house refused today to substitute over-all price control legislation, which would regulate wages as well as commodity prices, for the selective type of control advocated by the administration.

WASHINGTON, Nov. 26.—(P)—House Minority Leader Martin of Massachusetts said after a conference of the Republican membership today that a strong effort would be made to send the price-control bill back to the banking committee if a licensing provision were restored.

A few minutes later, on the House floor, two Democrats—Reps. Cox of Georgia and Dies of Texas—took the floor and urged that the measure be recommitted.

Cox forecast that the substitute "over-all" price control bill proposed by Rep. Gore (D-Tenn.) would be defeated as well as an effort to restore the licensing provision to the selective control bill approved by the banking committee. Such action, he said, would warrant sending the legislation back to the committee "and then we will have a chance to do something."

Dies announced he would vote to send the bill back to the committee "if for no other reason than that I refuse to put this power into the hands of enemies of this country." He repeated his allegations that top-ranking officials of the price administration had records of affiliation with Communist organizations.

He said Price Administrator Leon Henderson's only response to the charges was to tell the banking committee that "I am not a responsible member of Congress."

### Shouts and Bangs

Banging his fist on the reading desk, Dies shouted: "I'm sick and tired of the arrogance and bureaucrats who infest this government."

Shouts of approval arose from the Republican side as Dies announced his intention to vote for recommitment.

Meanwhile, Henderson, who had been conferring with Speaker Rayburn during the Republican conference, quoted for newsmen an excerpt from the 1917 annual report of Herbert Hoover as food administrator stating that "The licensing system, however, is the backbone of all control. Without compulsion there will always be a few slackers in every trade who will profit by the patriotism of the majority and prevent any effective control."

Henderson said the enforcement division of the food administration revoked 8,676 licenses from August 10, 1917, to December 31, 1918.

"The question here," he said, "is whether Congress wants price control or not."

Shortly after the House resumed consideration of the legislation, Gore offered his "over-all" bill as a substitute and Democratic leaders said there should be a vote on it—the first major test of strength on the whole problem—in about two hours.

## Short Debates By Lions Club

The members of the Lions club had a number of short debates, at their noonday luncheon meeting today at the St. Francis hotel. Ernest Martin, club president, presided, and the program was turned over to Ellsworth Green, who announced the subjects of the debates. Among them were: "Is this the time to crack down on John L. Lewis?" "Is Woman's place in the home or in business?" "Who is the more dignified a banker or an under-taker?" Each person was given two minutes to talk, either on the affirmative or negative side.

The work of the tuberculosis associations is frequently called by national leaders—"A vital part of national defense."

## Scout Executive

Dr. L. S. Geiger, who was elected chairman of the Sedalia district Boy Scout organization, at a "pot luck" supper and meeting at Convention Hall, Liberty park, Tuesday night, attended by one hundred twenty-five persons.

## Dr. L. S. Geiger Chairman For Scouts Area

Officers Elected At Pot Luck Supper Tuesday Night

Dr. L. S. Geiger was elected chairman of the Boy Scout Sedalia district area, at a meeting which followed a pot luck supper at convention hall, Liberty park, Tuesday night, attended by one hundred twenty-five persons. Louie W. Satorius was elected vice-chairman, Judge J. E. Smith was elected second vice-chairman and Lee Shannon, commissioner.

The term "pot luck" usually means the guest is taking a chance, but with the amount of very delicious food brought to the dinner by those attending, there was no question but that every person was served plentifully.

Judge J. E. Smith, retiring chairman, presided. Charles Maggard led group singing, and the songs rang through the hall. The principal speaker was Rev. J. Fred King, pastor of the First Methodist church, who brought out the value of working with boys when they are of scout age, before they reach what he termed "girl staring age." He cited several personal experiences, urged parents to teach their boys leadership and ability, and told the story of a very fine hog which he found on a relative's farm. Each time he saw the animal it was leaning up against a tree, first one, then another. He questioned the fact that it did not root around as did the other hogs. "That is one of the finest animals in this state, but it is going to learn to root for itself or die."

## Report Sergeant Of Phoenix Killed

CAIRO, Egypt, Nov. 26.—(P)—United States Army Sergeant Delmer Parks of Phoenix, Ariz., was reported today to have been killed by German machine gun fire yesterday in eastern Libya where he was a technician and observer with American made tanks.

Sergeant Parks, the first United States Army casualty reported here, was one of six American officers and six sergeants with the tanks which British forces are using in their drive westward in Libya.

## Man 'Who Never Sleeps' Is Ninety Years Old Today

By Malcolm L. Stephenson  
TRENTON, N. J., Nov. 26.—(P)—Albert Edmellere Herpin, who's known in these parts as the man who never slept a wink, celebrated his 90th birthday anniversary today by putting out ash barrels for well-to-do customers and philosophizing over a pan of tea that was brewed in his shack across the railroad tracks.

Old Al, a little slow to answer a caller's lusty shouts and battering on the wooden stockade around his grotesque tin-and-wood abode, immediately sensed suspicion.

"Course I wasn't asleep," he protested through his walrus mustache. "You know I can't sleep. Or maybe you don't. Some people think I'm a humbug. They don't believe it. And I can't blame 'em. Doctors from all over the world examined my case, and they ought to know. But they couldn't explain it."

Al, who has no bed, says he gets his rest by relaxing in a chair and by reading.

## Santa Arrives And Is Greeted By A Throng

Chief Character In Colorful Parade This Afternoon

Santa Claus arrived in Sedalia at 2:20 o'clock this afternoon. He stepped off the bright and shining Eagle, the Missouri Pacific's streamline train, that comes from the west at that hour. Just where Santa boarded the train he did not say, but he must have had to make some transfers, because the Missouri Pacific does not travel as far north as Santa Claus' home.

It was a rousing welcome that awaited old Kris Kringle in Sedalia. Announcement had been made that he would leave the train on the south side, instead of on the station platform. Children, and adults too, were crowded in the vicinity of Main and Osage, to catch the first glimpse of His Royal Majesty, making his annual visit to notify the public that Christmas is near and it is time for folks to get ready for it.

Escorted To Float  
Leaving the train Santa Claus was escorted to a beautiful float, which the Chamber of Commerce, his official host, had in waiting for him. Other floats attractively decorated also awaited his arrival, and as soon as he had climbed up on his own float, a parade started and he was escorted down Ohio avenue, waving and calling to the crowds that lined the sidewalks and streets.

The parade proceeded as far south as Tenth street, and Santa returned to the court house lawn, where he distributed all-day suckers to the children. Hundreds were given away.

In the parade were bands, many of them, floats, entered by city and county schools, some depicting Christmas stories, others well known characters or some current or historical event.

In order that Santa Claus would not go by Sedalia the Chamber of Commerce had Tom Walsh, a member of the Christmas committee, meet him in Warrensburg and accompany him to Sedalia. Mr. Walsh chatted with him on the way back, and after the train passed Dresden he told Santa to gather up his toys, say goodbye to the people on the train, and prepare to get off, because the next stop was Sedalia.

Georgetown, High Point, Maplewood, Longwood and Dunbar rural schools were represented. Sedalia schools that had floats were, Broadway, Horace Mann, Jefferson, Washington, Whittier and Mark Twain.

Awards will be made late this afternoon to the schools having the most attractive floats in the parade.

Many Bands In Parade  
In addition to the Smith-Cotton and Lincoln high school bands, there were bands from Green Ridge, Warrensburg, California, and the Missouri State School Band from Marshall in the line of march, all in colorful uniforms.

The American Legion was represented by a number of members who aided in directing traffic and policing the crowd.

Horace Mann first; Whittier second and Broadway third. Georgetown first; Dunbar second and High Point third.  
Above are the schools, city and rural, that were awarded the first, second and third places, respectively, by judges from Marshall, Mo., at the close of the parade. The awards were: \$20 for first; \$10 for second and \$5 for third place for the city schools and the same amounts for the rural schools.

## British Deny Dragon Sunk

LONDON, Nov. 26.—(P)—The British ministry of information flatly denied today a German declaration that the British light cruiser Dragon had been sunk, saying "it can be stated authoritatively that his majesty's ship Dragon has not been attacked."

The statement was issued, the ministry said, "in order to prevent unnecessary anxiety to the next of kin" of the cruiser's crew. Authoritative sources refused to comment on the later German communication claim that a cruiser of the Dragon class had been sunk.

Berlin Reports Sinking  
BERLIN, Nov. 26.—(P)—The light British cruiser Dragon, a 4,850-ton vessel of world war vintage, has been sunk in the Atlantic by a U-boat torpedo, informed Germans said today.

(The Dragon, whose main batteries were six-inch guns, was launched Dec. 29, 1917. She normally carried 450 men.)

## In New Effort To Avert Strike

Emergency Board On Rail Dispute Again To Convene

WASHINGTON, Nov. 26.—(P)—In a final effort to stave off a nation-wide railroad strike, President Roosevelt has resorted to an unprecedented procedure in reconvening a special emergency board for review of some new "facts" that have developed since the board reported on November 5.

The five board members were notified by telephone and telegraph last night to attend a preliminary meeting at the White House tomorrow. The President asked them to begin new hearings Friday, allotting one day each to representatives of managements and the brotherhoods for testimony, and they report to him next Monday, six days before a scheduled strike of the five operating unions.

Veteran strike mediators said they could not recall a presidential emergency board ever having been called back into session once it had reported on a case.

Arrange For Hearings  
Both sides in the rail dispute were to hold sessions today to arrange for the new hearings, although neither the managements nor the unions would say what the new "facts" to be presented would be.

Some observers speculated that the brotherhoods might be willing to accept a compromise wage increase somewhere between the raises recommended by the board three weeks ago and the unions' original demands, which were much higher.

Should this be the final outcome, these same observers believe the carriers probably would file applications almost immediately within the Interstate Commerce Commission for hikes in passenger and freight rates.

Rate Hikes Likely  
In recommending temporary wage increases in its original report, the emergency board said it was assuming the roads would ask for rate increases to help defray the added cost.

The board recommended an increase of 7 1/2 per cent for the 350,000 members of the five operating unions, who now get from \$5.06 a day up. The unions had requested a 30 per cent boost and in rejecting the recommendations voted to strike beginning December 7. The 14 non-operating brotherhoods had asked an increase of 30 to 34 cents an hour and over their present hourly scale of 35 to 85 cents. The board recommended only 9 cents of an average of 13 1/2 per cent. The nonoperating unions rejected but did not set a strike date. The roads accepted the board's recommendations reluctantly.

The entire cost of the board's proposed increases, including one week vacation with pay for the 900,000 non-operating union workers, was estimated at \$270,000,000.

Members of the fact-finding board are Wayne L. Morse, dean of the University of Oregon law school, chairman; J. C. Bonbright, Columbia University; T. R. Powell, Harvard University; J. H. Willits, director of social sciences, Rockefeller Foundation, and Huston Thompson, Washington, D. C., attorney.

## Police Radio Be In Operation Soon

It is expected that soon the Sedalia Police department's two-way radio will be in operation. Several large pieces of radio equipment arrived this morning at police headquarters and the 100-foot radio tower is expected within a few days.

As soon as call letters are issued to the police department, work on installation will be started. It is possible the station will be in operation before Christmas.

## Food for Needy For Christmas

Civic Clubs Are Arranging For Sending Baskets

Christmas baskets will be numerous this year, although the number of needy families in the county has been estimated as lower than those of previous years. The drop in the number of families requiring outside aid is attributed to the many jobs created by defense industries. Many families are still in need of help, however.

A large number of civic clubs in Sedalia are preparing special baskets of food to present to those people who apply for them and who are found to be absolutely in need. The Elks club is among those which prepare many baskets each season, containing large amounts of meat, vegetables and other foods in them, to brighten the Christmas of many persons in Sedalia.

Several items that are not included on the list of absolute necessities, but which add much to the basket, were contributed last year to the baskets by local merchants, without any great expense to them. One store manager announced that he had several large cartons of candy in stock and had been wondering how to dispose of the surplus. The baskets proved an outlet.

Contributors Samples  
A drug store manager, when asked if his firm could contribute something, added huge numbers of samples of several articles, given to him by the manufacturers of the products.

Contributors of Christmas baskets discovered in recent years that some families professing to be extremely needy were trying various ways to secure more than one basket, thus depriving some other worthy family of one.

Some families had members working regularly for good pay. In one case, a family applying for a basket was found to have a member earning \$50 a week. The most frequent method, however, is for each member of the family to apply for a basket, giving the name of a fictitious "uncle" or "aunt" at another address. In this manner, the family figured to collect a large number of baskets from cooperating friends.

Many True Applicants  
However, investigating contributors soon put a stop to such false applications by carefully investigating each case before giving a basket on Christmas eve. "For every false applicant, there are any number of true ones," however," contributors stated. "What do we get out of it? Just the pleasure of seeing the happiness on the faces of the parents and children when they receive their basket."

## Clinton Boy Dies In Fire

CLINTON, Mo., Nov. 26.—(P)—Nine-year-old Bill Mayer died of suffocation and his father was burned severely Tuesday in a fire which swept their home at daybreak.

George Mayer, the father, was in the Veterans' hospital at Excelsior Springs, suffering from chest, face and arm burns. He and his wife helped three other children to safety, Lucy, 13; Nancy Jean, 11, and George, Jr., 5. The youngest child was burned about the hands.

The blaze started in a kerosene stove and quickly spread to bedrooms where the family was asleep. Flames were extinguished before the home was destroyed, but the interior was badly damaged.

## Ready Impression Uncle Sam Protects Interests

The Special News Service of The Democrat

BY DEWITT MACKENZIE  
Herr Hitler's camp would appear from Nazi and Fascist newspaper comment to be as much exercised over the American occupation of Dutch Guiana as any other recent development—and taking the long view of the war situation perhaps the wisemen of the axis are right.

No clearer indication of the powerful moral effect of this move could be had than has been evidenced in the angry outburst of the German and Italian press. That moral effect, which reaches round the world and touches not only the axis and its supporters but their enemies, would seem to be more important at this juncture than the military consideration.

We have a striking demonstration of the determination of the United States to protect not only its own interests but those of other nations in this hemisphere. We also have a display of pan-American co-operation in Brazil's quick approval, and that's of vast importance to the outcome of the war.

Impress Solidarity  
The general effect must be to impress all nations with the idea that Uncle Sam means business. One would expect it to encourage pan-American solidarity, to raise

## States The U. S. Cannot Avert Axis Victory

Von Ribbentrop Says Campaign On Russia Is Won

BERLIN, Nov. 26.—(P)—Foreign Minister Joachim von Ribbentrop declared today that even if the United States entered the war against the axis she could not prevent the triumph of Germany and her allies.

He told signers of the anti-Comintern pact that Germany already has won her campaign against Soviet Russia and said the war now lines up as a fight with Britain and her "trans-Atlantic helpers."

The United States, Von Ribbentrop told statesmen of the axis and its satellite nations, remains the last powerful ally of Britain. He added that Hitler long had calculated upon the hostility of a "small clique of leaders" in the United States.

No matter whether or to what extent the United States delivers war material to England, the outcome of the war cannot be changed, he declared. Neither, he said, is Russia in a place to make any change.

"If it should so develop that there would be war between the United States on one side and Europe on the other, the responsibility is clearly on Roosevelt," Von Ribbentrop said.

Assaults Roosevelt  
He added, however, that any idea of a German military attack on the United States was "fantastic foolishness," and said that the charges that Hitler planned world conquest, destruction of religion, and Nazi dominance of South America were products of deliberate propaganda nurtured by the American press.

Von Ribbentrop repeated the German contention that Roosevelt was a "chief instigator" of the war and questioned whether the American people, whom he described as sharing a long time friendship with the German people, would

## British Smash Deep In Tobruk Siege Lines

By The Associated Press

Axis front-line dispatches declared today that British troops south of Rezegh, scene of a three-day battle of massed tanks, had been encircled and "annihilated" with more than 5,000 prisoners captured, and German military quarters asserted flatly that the Libyan desert campaign could no longer be regarded as a British offensive.

Rezegh is 10 miles south of Tobruk.

British middle east headquarters said the Germans had rushed up reinforcements to Rezegh and that a big battle was expected there momentarily.

### Deeper In Siege Lines

A Cairo bulletin reported that the British Tobruk garrison had smashed deeper into axis siege lines and declared that strong British tank reinforcements, previously held in reserve, were now moving into the forward battle zones to bolster other imperial armored columns which had been reorganizing for a new attack in the Rezegh area.

Other dispatches indicated that the British expected a lengthy struggle.

As the battle raged into its ninth day, even British reports reflected a sharp setback to earlier hopes for a lightning sweep to knock the axis out of north Africa.

On the Russo-German war front, the Russians admitted serious new German gains on the northern and southern flanks of Moscow's defense arc, but declared that Red army counterattacks in the Ukraine had thrown the Nazis back six more miles northwest of Rostov-on-Don, in the sector where the Germans had already lost from 37 to 60 miles. The Vichy (French) radio, quoting "German front reports," said Nazi mechanized forces had slashed through Red army defenses to a point within less than 16 miles of Moscow—the closest approach to the Soviet capital since Adolf Hitler started his huge-scale drive against Moscow on October 2.

The radio said German spearheads had broken through south-east of Klin, 50 miles northwest of Moscow.

There was no confirmation on the report elsewhere, however. S. A. Lozovsky, official Soviet spokesman, said that German casualties in the fighting around Rostov totalled 37,000 and that the two major drives against Moscow had cost the Nazis more dead and wounded than the 330,000 they lost in the World War battle of Verdun.

### Concede Powerful Thrust

Soviet front-line dispatches conceded that a powerful thrust by German tanks, planes and infantry had smashed through the Stalingorsk sector, 120 miles southeast of Moscow, and advanced to the outskirts of the town of "V"—presumably Venev, 40 miles northeast of Stalingorsk.

Stalingorsk itself is 60 miles east of Tula, 100 miles south of Moscow, which has long been the scene of bloody fighting.

Stalled at Tula, the Germans were now apparently striking in a wider flanking maneuver.

The Russians also acknowledged a grave new threat on the north, reporting that the Germans had scored a break-through to a main highway somewhere between Moscow and Klin, 50 miles northwest of the capital.

A London broadcast said the Germans had captured the village of Gora, 40 miles northwest of Moscow, while the German high command previously had claimed the capture of Solnetschnogorsk, only 31 miles northwest of Moscow.

A bulletin from Adolf Hitler's field headquarters reported mere-

## Society And Clubs

Miss Vivian Valkenburg, daughter of Mr. and Mrs. Albert Valkenburg, and Forrest Le Drue Cessna, of Long Beach, Calif., son of P. A. Cessna, of Inglewood, Calif., were married at a pretty home wedding, at the Valkenburg home, 917 South Osage avenue, at 7:30 o'clock Tuesday night. The ceremony was performed by Dr. Ralph A. Waggoner, of the Presbyterian church, in the presence of relatives of the couple, and a few close friends.

The fireplace in the living room of the Valkenburg home was the background for an improvised altar, baskets of yellow chrysanthemums and cream tapers in gold candleabra, arranged in front of a solid bank of greenery.

Before the ceremony Mrs. Kathryn Lyles played Liebestraume, on the piano, and accompanied

Miss Mary Ross Hoffman, who sang "Oh, Promise Me".

After the candles had been lighted by Miss Mildred Coffman and Miss Helen Rose Shaffer, Mrs. Lyles played Lohengrin's bridal chorus, as the bride, given in marriage by her father, walked to the altar, proceeded by her only attendant, Mrs. John M. Rodman. They met the bridegroom, and his attendant, Dr. Rodeman, his cousin, and Dr. Wagner at the altar.

The bride was lovely in a copper colored floor length silk jersey frock, with a bouquet of orchids on her shoulder. Mrs. Rodeman's dress, also floor length, was of emerald green, and her flowers were gardenias.

A reception followed the ceremony, and Mrs. Valkenburg received her guests in a dress of ice blue, and a corsage of gardenias.

The wedding cake, which centered the dining table, was surrounded by a wreath of smilax. White flowers and white candles were used on the buffet and table, the latter covered with an Italian cut work banquet cloth. The

table service was silver, thus carrying out the silver and white color scheme.

After the bride and bridegroom had cut the first piece of cake, the remainder was cut by Mrs. Harold W. Ehrler, as punch was served by Mrs. John W. Stover. Assisting in serving were Miss Marjorie Brown, Miss Sadie Foster, Mrs. L. V. Estes, and Miss Helen Rose Shaffer. Elaine Ehrler and Maurine Parsons passed mints.

The bride was born in Quincy, Ill., but came to Sedalia at an early age, and was reared here. She graduated from Smith-Cotton high school, and attended Missouri Valley College, Marshall, and is a member of the Sigma Phi sorority. For the past several years she has been employed as service representative for the Southwestern Bell Telephone Company.

Mr. Cessna was born and reared in Pueblo, Colo. He is a nephew of Mrs. Jean Rodeman, of Sedalia, was a grandson of the late Mrs. Flora Lister, and he was frequently in Sedalia on visits to his relatives. He graduated from the University of Colorado, and is a member of the Kappa Sigma fraternity. He is now employed by the Douglas Aircraft Company in Long Beach.

Mr. and Mrs. Cessna left at 9:30

o'clock Tuesday night, by train for California, where they will be at home at 366 Carroll Park, East, Apartment B. Mrs. Cessna's going away costume was a golden sherry wool suit, beige blouse and gloves, and hat, shoes and bag of the golden sherry color. Over the suit she wore a coat of plaid, with a wolf collar.

Out of town guests who attended the wedding were Mrs. E. C. Stone, Colorado Springs, Colo., Mr. and Mrs. Forest Lister, Independence, Charles Lister, Jefferson City, Mrs. Mary Allen and Mrs. Earl Trout, of Kansas City.

A bridal party rehearsal dinner was held in the Palm room of Hotel Bothwell Monday evening. Seated with the bride and groom were Mr. and Mrs. Valkenburg, Dr. and Mrs. Rodeman, Miss Hoffman, Miss Sadie Foster, Miss Coffman, Mrs. Lyles and Mr. A. J. Harlan.

Mr. and Mrs. Ray Frankenburg, St. Louis, the latter the former Miss Ruth Adele Zander, of Sedalia, and Mrs. John W. Simmons, of Tulsa, formerly Miss Kathryn Fay, who also lived here.

Mr. and Mrs. C. H. Eckhoff celebrated their thirtieth wedding anniversary at the home, 1016 South Monticau avenue, Tuesday evening, November 25.

The home was beautifully decorated with rosebuds and potted plants.

Four tables of bridge occupied the spacious living room with awards in the game going to J. C. Saunders, Mrs. Ida Harman, Mrs. Eugene Miller, Mrs. J. C. Saunders, Mrs. F. L. Keeney and Miss Mabel Meyer.

Delicious refreshments were served by the hostess to the following guests: Mr. and Mrs. T. F. Segers, Mr. and Mrs. M. T. Slane, Mr. and Mrs. Henry Heitman, Mr. and Mrs. J. C. Saunders, Mrs. Eugene Miller, Mrs. F. L. Keeney, Mrs. Ida Harman, Mrs. Selma Kueck, Mrs. Helen Hetter, Mrs. Claib Harlan, Miss Edna Taylor and Miss Mabel Meyer.

An exquisite piece of silverware with pearl handle was presented Mr. and Mrs. Eckhoff by the guests. They also received many cards and greetings from friends unable to attend.

During the evening Mrs. Eckhoff wore a necklace an anniversary gift from her husband.

At a luncheon given Thursday, November 13, Mr. and Mrs. Han R. Frafe, of Fort Monroe, Va., announced the engagement of their daughter, Miss Geraldine S. Grafe to Lieutenant George E. Rippey, of Fort Eustis, son of Mr. and Mrs. G. E. Rippey, of 1221 East Twentieth street, this city.

The wedding will take place January 1, at the Post chapel.

Miss Grafe spent three years in Hawaii where her father, now Master Sergeant at Fort Monroe, was serving a tour of foreign duty at Fort Shafter.

While in Honolulu Miss Grafe studied organ, piano and voice at the Punahou music school. She studied dancing under Mrs. M. Weiderick, a graduate of the well known Leiland Village. She was presented a certificate of proficiency after completion of her course in 1939. Miss Grafe now holds a civil service position at the post hospital at Fort Monroe.

Lieutenant Rippey graduated from Smith-Cotton high school, and attended the University of Kansas, where he completed his R. O. T. course. He received his commission and was called to active duty in June, 1940. He was sent to Fort Monroe where he remained until March, 1941, was then transferred to Fort Eustis, Va., and is now Signal Officer there, in command of Detachment 16th Signal Service Company.

Lieutenant Rippey was 23 years old November 20, which was not only his birthday. Thanksgiving day but the day on which he assumed command of his new company.

A pretty breakfast and miscellaneous shower was given in the Palm room at Hotel Bothwell, Sunday morning by Mrs. Lynn Shelby, Mrs. James Dickman and Mrs. Gene Patrick, honoring Miss Catherine Orr, whose marriage to Paul L. Edwards will take place November 27.

Before going down to the dining room, the guests were given card on which were amusing questions and each guest found her place at the table by locating the answer to the question. Small favors in the form of fruit, in keeping with the decorations were attached to the card.

Invited guests were: Misses Muriel Vaughan, Barbara Collier, Ruby Joyce, Mary Jeanette Higdon, Marion Murphy, Jeanne

## Married 55 Years

Mr. and Mrs. August Tegtmeyer of LaMonte, who on Monday, November 24, quietly observed their fifty-fifth wedding anniversary at the home of their son, H. W. Tegtmeyer and wife, four miles north of LaMonte. Mr. and Mrs. Tegtmeyer were married at Piermont, in Morgan county, and Mrs. Tegtmeyer was formerly Miss Gertrude Bower. They have lived in Pettis county twenty-five years.

The couple are parents of seven children, have eleven grandchildren and nine great grandchildren.

Their children are: Otto Tegtmeyer, Marshall Junction; Mrs. Henry Opfer, Sweet Springs; Fred Tegtmeyer, Sedalia; Henry Tegtmeyer, Ozark; A. F. Tegtmeyer, Marshall; H. W. Tegtmeyer and Mrs. Pauline Gorrell of LaMonte.

Lamb, Imogene Paul, Elsie Wertz, Mrs. Dare Whitaker, Mrs. William Bunn, Mrs. Harry Nagel.

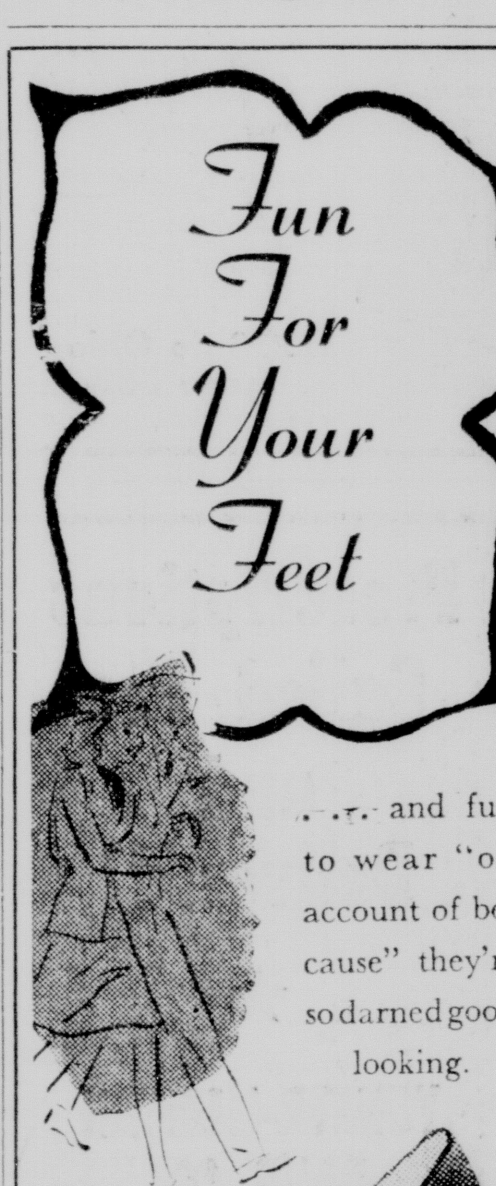

The wedding of Miss Clarine Hecht, daughter of Mrs. Mary Hecht, and Philip Stocklein, of Pilot Grove, was solemnized Saturday morning at St. Andrew's Catholic church in Tipton. Father H. J. Breit read the nuptial service before a large number of relatives and friends, many of whom were from out of town.

The bride, who was given in marriage by her uncle, W. A. Hecht, of Andale, Kas., wore a dress of white brocade taffeta, made with a sweetheart neckline and full skirt with a train. Her finger tip veil, fell from a beaded head-piece, and she carried a white prayer book with lily-of-the-valley streamers.

The maid of honor, the bride's twin sister, Miss Dorothy Hecht,

wore a gold colored taffeta skirt with a brown velvet jacket, and a shoulder-length brown veil, with a gold head-piece. She carried a brown velvet muff, with a corsage of pink and yellow mums.

The bride's other attendants, Mrs. Larry Hecht, of Kaw, Okla., and Miss Helen Stocklein, of Pilot Grove, wore dresses of the same color, and in the same fashion, blue taffeta skirts and Alpine rose velvet jackets. They carried rose velvet muffs, with rose and yellow mums. They wore small velvet hats.

Mr. Stocklein's best man was Vincent Hecht, and the groomsmen were Larry Hecht, brother of the bride, of Kaw, Okla., and Leonard Eichelberger, of Pilot Grove. Ushering were John Huff and Norbert Zeller, of Pilot Grove.

After the service the bridal party motored to Foster's cafe, in California, for breakfast. At noon dinner was served at the bride's home, with fifty guests seated.

In the afternoon, from 3 to 5 o'clock, a reception was held in the flower decorated rooms of the Hecht home. Punch and wafers were served.

In the evening a dance was given at the Keuper Center, which was largely attended.

The bride is a graduate of the parochial and high schools of Tipton.

Mr. Stocklein, a young farmer, will take his bride to Pilot Grove to reside.

## Dramatics Class To Give Play

The dramatics class of the Smith-Cotton junior senior high school will present the first semester play, "Cross My Heart," at 8:00 o'clock, on Thursday and Friday evenings, November 27 and 28, at the school auditorium. The play is a light comedy, containing an appeal for a closer understanding between parents and their children.

"Cross My Heart," shows the effect that inconsiderate parents can have upon their children, when they step in and try to dictate how the children should live their lives. The children, driven to desperation, attempt to show their parents that they can conduct their own affairs without outside interference. Later, when reports come in that two society bandits, coinciding with a description of the children, have been passing counterfeit bills and holding up filling stations, the parents realize the error they have made in their treatment of the children. Fortunately, however, the reports are false, but the parents have learned their lesson. The play ends happily for both the parents and children.

The play is under the direction of James Stubbs, assisted by Miss Vesta Elliott.

Members of the cast are: Andy Kostelas, Bob Green, Ralph Gregory, Junior Lueck, Bob Boothe, Bob Cain, Doris Jean Hardin, Doris Mae Russell, Betty Mae Smith, Dorothy Wadleigh, Elleta Wheeler, Agnes Brown and Naomi Berthoff.

The Smith-Cotton band, under the direction of Mr. Guenther, will play a fifteen minute concert beginning at 7:45.

## A. J. Campbell, A Mason Over 70 Years

A. J. Campbell, of Mount Sterling, Ill., an uncle of Dr. A. J. Campbell, of Sedalia, was one of four Masons recently honored there by Hardin lodge No. 44, A. F. & A. M., for long membership in that lodge.

Mr. Campbell was awarded a recognition pin for having been a member for a period of sixty years.

Records of the lodge dating back many years were destroyed, but Mr. Campbell states he had been a member seventy-one years and was thought to be the oldest member in Illinois.

## Robert Carroll Hall Joins The Marines

Robert Carroll Hall, son of Mrs. Della Mae Hall, LaMonte, enlisted in the United States Marines and has been sent to the Recruit Depot, Marine Corps Base, San Diego, California. His application for enlistment was given a recruiting sergeant several days ago after which he reported to Jefferson City. He was given the oath of enlistment at the Marine Recruiting office in St. Louis.

Private Hall will receive thorough instructions at the Marine Base, San Diego, in rifle and pistol practice, drill, inspections and the responsibilities of a marine.

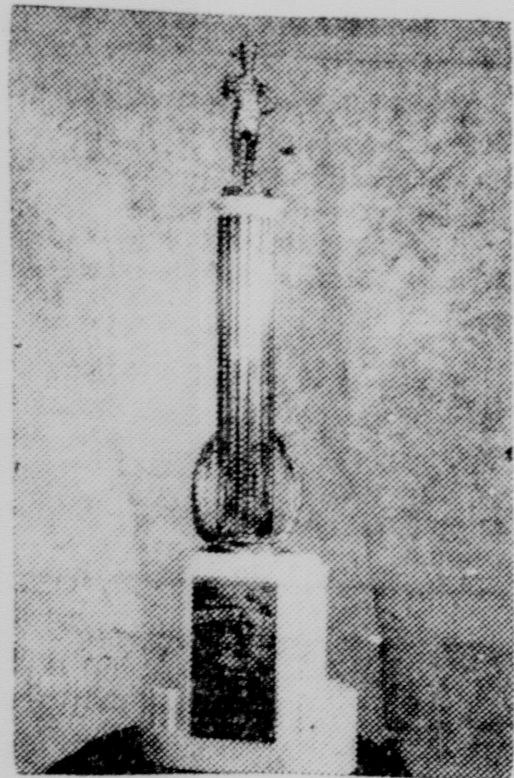

Upon completion of this course he will be subject to either foreign or sea service.

He will also have an immediate opportunity to enroll in either an extensive educational course or learn a trade.

## Something more than beer...

Did you know that Budweiser's process is the most expensive brewing process in the world? In addition to the costliest of ingredients, it calls for exclusive technical equipment and endless precision operations. You can sense all this in the distinctive taste that sets Budweiser apart from all other beers. The product of generations of skill, yes... a truly great brew... and yet Budweiser is something more. It is a symbol... of gracious living, of hospitality, of moderation. It is a companion of good friends, good foods and good taste.

Fierce Battle At Rezegh Appears To Be Developing

(Continued From Page One)

ly that German troops hammering at Moscow's outer defenses made "considerable gains."

In north Africa, the situation was confused but apparently the British drive led by Gen. Sir Alan Cunningham was slowing.

From Cairo, headquarters of the British middle east command, came acknowledgement that the Germans, rallying from the first surprise shock of the British counter-offensive, had seized the offensive in some sectors and that trapped Nazis were fighting savagely to break through the British lines.

In London, an authorized spokesman said tersely that the battle was still raging furiously with bloody losses on both sides and added that the struggle "possibly now is reaching a fresh climax."

DNB, the official German news agency, said strong British tank forces had been wiped out, reported the number of prisoners and booty was growing steadily, and asserted that renewed sallies from siege-girt Tobruk had been frustrated.

Premier Mussolini's high command, reporting the victory south of Rezegh, said two American observers and "various English and American journalists" were among the captives.

Claim Break Through

MOSCOW, Nov. 26.—(AP)—A heavy German force of tanks, planes and infantry has broken through the Stalinogorsk sector east of Tula and advanced to the outskirts of the town of "V," a Pravda broadcast said today.

(The town of "V" was not further identified, but may be Venev, which lies about 40 miles northeast of Tula and an equal distance northwest of the railroad town of Stalinogorsk, which was identified by the Russians for the first time yesterday as a scene of fierce fighting.)

From there, Pravda said, some German forces have swung back to the west in an attempt to encircle Tula by cutting off the highway between that munitions making town and Serpukhov, 50 miles south of Moscow.

Damage Supply Lines

BY LARRY ALLEN  
ABOARD THE FLAGSHIP QUEEN ELIZABETH WITH THE BRITISH MEDITERRANEAN FLEET OFF LIBYA, Nov. 26.—(AP)—Smashing salvos from the six-inch guns of British cruisers have dealt another damaging blow to the supply lines of General Erwin Rommel's hard-pressed African corps, sinking two Libya-bound merchant ships believed to be laden with men and gasoline.

They went down in flames, abandoned by their convoying destroyers, reports to the British commander-in-chief said.

(The London admiralty last night occurred Monday.)

The cruisers which intercepted the convoy were ranging far west of the main British battlefleet, making a wide sweep of the seaboards to Tripoli, from which reinforcements might be moved overland to General Rommel's armored divisions engaged in the desperate battle with British tanks and infantry at Rezegh.

Convicts Drive Off In Prison Truck

JEFFERSON CITY, Nov. 26.—(AP)—Two convict mechanics stole a state truck and escaped from the main prison garage late yesterday.

They were John Henry Jones, 27, of St. Louis, serving a sentence for burglary, and Cleveland Morris, also 27, in prison on a grand larceny conviction from St. Charles. Each was serving three years.

Prison authorities said they did not know which of the men was driving. They were moving the truck and "kept on driving" once they got outside.

Eight Billion More For Defense

WASHINGTON, Nov. 26.—(AP)—A house appropriations subcommittee gave approval today to another huge defense supply bill—totaling close to \$8,000,000,000—more than three-fourths of which would go to the army for ordnance, aircraft construction at military posts, and other items.

The subcommittee was reported to have modified an administration proposal that it be given complete leeway in transferring military equipment, appropriated for since March 11, to foreign nations.

Committee members said the funds in the pending bill were divided in such a way as to give the house an opportunity to decide how much could be used for lend-lease purposes.

The new bill, to be reported next week, provides some slight reductions in the \$6,687,369,046 estimate submitted for the army. Other major provisions were said to have provided more than \$800,000,000 for the navy and \$200,000,000 for other purposes, including defense highways. A number of deficiency items also were included.

Only Penal Colony  
It is to be hoped, however, that it won't be necessary for any of our boys to be sent into French Guiana. It is a filthy, stinking spot which festers with disease under the killing equatorial sun. I've seen a lot of hell-holes in various parts of the world, but French Guiana heads the list. The notorious Devil's island, which is part of this colony, is a paradise compared with the mainland.

French Guiana is nothing but a penal colony. Its sole industry is watching the prisoners wear their lives out in this inhospitable zone of utter despair. Cayenne is the only settlement of any consequence, and of its ten thousand unhappy inhabitants at least twenty-five percent are dragging themselves about the dirty streets with leprosy, coming into contact with those who are unaffected. The town has no sanitary arrangements, and sewage is dumped into the pot-holed streets.

The whole damnable colony is filled with terrible diseases, which are spread by mosquitoes and huge vampire bats. There are more ways of meeting horrid death in the jungle which runs close to the town than the worst nightmare could conjure up, for the place swarms with poisonous insects, snakes and other man-killers.

Even in Dutch Guiana leprosy and syphilis are rife, despite the constant battle waged against these diseases by the authorities. So far as concerns the dangers of the jungle—that is, all the country outside the settlements—they are the same as in French Guiana.

Duty in Dutch Guiana will be no sinecure. However, our army medical people have had wide experience in Panama, the Philippines and other hot climes, and undoubtedly know what they are heading into.

May Oppose Former School

ANNAPOLIS, Md., Nov. 26.—(AP)—If Cadet Jim Kellender gets into the Army-Navy football game Saturday at Philadelphia, it'll be the first time a former midshipman has played against his former school.

Jim won his football numerals here as a plebe in 1938. He transferred to the military academy in 1939 to fill the unexpired term of his brother, Bill, a blocking back, who died of a heart attack at West Point.

Their father, Colonel Kelleher, has his heart set on one of his sons following in his footsteps. That's why Jim became the first midshipman ever to enroll at the Point.

Jim, a second string end, started several games for the Cadets and is almost certain to see action.

Indict Four Union Officers

ST. LOUIS, Nov. 26.—(AP)—Four suspended officers of the Hodcarriers' Building and Common Laborers' Union Local 42, have been named in a joint circuit court grand jury indictment charging embezzlement of \$86,016 in union funds.

Named jointly were Edward Hill, president; Orville Golden, secretary-treasurer, and Paul Hulahan and Earl Jenkins, business agents.

Acting Circuit Attorney Henry G. Morris, who announced the indictments last night, said Clifton Haney, sergeant-at-arms for the union was named in a separate indictment charging embezzlement and perjury and Charles Barnett, saloon operator, indicted on a charge of embezzlement.

The grand jury had been investigating the union's financial affairs since October 11.

Ouster Suit To Supreme Court

JEFFERSON CITY, Nov. 26.—(AP)—The state supreme court today took jurisdiction of Attorney General Roy McKittrick's ouster suit against the Barry County Burial Association and gave the officials 30 days to answer his charge that they are operating outside the law.

The suit is designed to test the status of numerous burial societies as a result of last year's supreme court ruling that they are in the insurance business. Attempts to place them under supervision of the State Insurance Department failed in the 61st General Assembly.

Talk On Sports At S-C Assembly

A program on different sports was presented at Smith-Cotton this morning at the senior high school assembly. Several students talked on different games and several of the games were demonstrated.

Miss Zepora Wasserman, who won in the state National Forensic league last year presented the cup that she won to the school. The cup was received by James Anderson, president of the senior student council.

"much longer tolerate his catastrophic policy."

He declared flatly that the reich has made no move toward extending any peace feelers since Hitler's offers at the end of the Polish campaign.

As for England, her position has become "more than dark," he said, and he pictured a bright future for Europe with England "driven from the continent for all time."

"Should war last 30 years, Europe can endure it, he said, and he coupled with that statement a warning that there may still be demands for great sacrifices.

The American people will pay dearly for President Roosevelt's policies, Von Ribbentrop declared. "It is clear that the American taxpayer must bear the chief burden of this English war against Germany," he said. "The constant pouring of materials out of America without any compensating values will in a relatively short time bring this land to an economic crisis the like of which no land has yet seen."

"I believe that the American catastrophe of 1929 will be child's play in comparison. x x x I believe the day is coming when the American people will call the president and his Jewish counselors to account."

Starves Self In Providing Food to Others

George W. Gordon Pellagra Victim In Ozark Hills

MONETT, Mo., Nov. 26.—(AP)—Nineteen-year-old George Walker Gordon "always thought a lot of his brothers and sisters. He loved them dearly."

Those were the words of his mother, Mrs. J. W. Gordon, after the youth's death termed "a plain case of starvation" by Dr. Elburn A. Smith, Barry county physician.

The doctor said George died yesterday of pellagra brought about by depriving himself of food so that the seven brothers and sisters and his parents with whom he lived in a one-room Ozark foothills cabin seven miles southwest of Monett might have a little more.

"George certainly wasn't a lazy boy," his mother said. "He always went with his daddy to work, and me and the older girls helped too."

"Whenever George made even 25 or 50 cents he would buy groceries with it and bring it home for all of us to eat."

Hunter Revealed Plight

The plight of the family in their cabin, partially destroyed by fire before the Gordons moved in, was brought to public attention a few months ago by Claud Bertram, a Monett hunter, who found them in stricken circumstances while he was running his dogs in the area.

The Gordons had come to this section last June from Fayette, Mo., to work in the strawberry harvest and set out tomato plants. They made part of their way by cutting and selling timber which surrounded their little home.

Investigation followed the disclosure by Bertram, and Dr. Smith prescribed plenty of fresh meat and vegetables for George.

"At first he ate heartily, could not seem to get enough," his mother said. "Then food sort of turned on him and he couldn't eat much."

He and his father, Jim Gordon, 32, got jobs recently at Camp Crowder near Neesho, but George couldn't do the heavy work and was laid off.

Collapsed On Way Home

On his way home November 12 he stopped off at a country store about two miles from home and bought a load of groceries. The task of carrying them home seemed too much and he collapsed on reaching the yard.

He was put to bed and given medical care but gradually weakened.

"He complained of a burning feeling in his throat and stomach," Mrs. Gordon explained.

That was his last illness as described by the mother who keeps the little home neat despite its poverty and who manages to send her younger children to school even while helping with work when opportunity affords.

State Aid To Family

JEFFERSON CITY, Nov. 26.—(AP)—State social security officials said today the family of George Walker Gordon—who died of pellagra near Monett yesterday—had received state aid most of the time for the last three years.

But the family had not applied for aid in Barry county, state officials said.

An appointment with Barry county social security representatives was arranged for the boy's father, J. W. Gordon, on Sept. 20 at the request of a school teacher who reported the family's plight. However, Miss Gertrude Munsell, state casework supervisor said, no member of the family appeared at the commission's office either then or later.

The files of the commission show the family first went on direct relief at Marshall in 1938. In August, 1939, they moved to Howards county and for nearly two years received surplus commodities—both food and clothing—from the state commission.

In May, 1941, the family went to Wayneville, where the father had obtained work in a federal warehouse, then in June moved to Barry county.

Five Norwegians Die Before Firing Squad

OSLO, Occupied Norway, Nov. 26.—(AP)—Five Norwegians have died before a firing squad after a German military court's sentence on charges of espionage and membership in a secret organization which helped Norwegians escape to England for military service.

Four others were given ten year sentences and two were acquitted, in accidents.

Report Some Killed By Own Depth Bombs

Survivors Of Reuben James Tell Of Lives Lost

(The Associated Press obtained the following story on Monday but was requested by Lieut. John T. Casey of the Third Naval District public relations office not to distribute it. His request, he said, was occasioned by fear that the story might contain information of a nature that the navy department has requested be not published.)

(Today naval officials in Washington said that the navy did not object to publication of statements by survivors that some members of the crew were killed by the ship's own depth charges. The navy said, however, that it had no official evidence that any of the deaths resulted from the depth charge explosions.)

NEW YORK, Nov. 26.—(AP)—An undetermined number of the 100 men who perished on the torpedoed American destroyer Reuben James died from the explosions of the ship's own depth charges while thrashing around in the icy waters on the night of Oct. 31, survivors say.

These men were blown to bits as they clung to flimsy life rafts in the darkness, their own explosives going off below them.

Survivors related that the depth charges (metal cases filled with high explosives and designed to rip open the hulls of submarines) had been set to explode at 50 and 100 feet depths and that at least two went off when the sinking hulk reached those levels. They said a safety catch on the charges had not been locked because the ship was in dangerous waters near Iceland.

Some survivors said that 30 to 60 lives might have been saved had the men been in lifeboats. They said the ship carried only two boats and that they were damaged by the torpedo and magazine explosion. Three life rafts were thrown into the water and the men leaped into the sea after them.

Tore Lifebelts Off

They said some men drowned when the depth charge explosions tore life belts from their bodies.

Fireman Robert Carr, 20 of Buffalo, said that he with 25 or 30 men on a raft about 75 feet from the sinking Reuben James when two depth charge blasts sent the raft spinning like a top and that when he swam back to the raft only 19 men were on it.

Lloyd Sims, Marianna, Fla., a water tender, said that the depth charge blasts tore his life jacket to pieces and that he swam almost four hours before being rescued by another destroyer.

Joseph Mohr, 19, fireman, of Allentown, Pa., said Scamen Jesse Weaver, West Point, Tenn., and William H. Painter, Greenville, S. C., swam to his raft and "just went under."

Secretary of Navy Knox said at his press conference in Washington today that there were two depth charge explosions, although "we don't know with what effect."

He explained that the depth charges would normally have been carried in the destroyer's Y-gun in such a way that they would automatically explode when they reached a certain depth of ocean.

The fact that they were set for automatic exploding, Knox said, meant merely that the Reuben James was ready for battle as she should have been in that zone.

Charge Fraud In Accident Ring

ST. LOUIS, Nov. 26.—(AP)—A long-suppressed indictment, charging 80 persons with mail fraud in connection with an alleged fake accident ring in northwest Missouri, was made public today by Assistant United States District Attorney Herbert H. Freer.

The 95-page indictment contained a general count of conspiracy to violate postal regulations and 21 counts of devising a scheme and using the mails to defraud insurance companies.

Postoffice inspectors estimated that more than \$100,000 had been obtained in amounts ranging from \$14 to \$2,500 from an insurance firms through false claims and faked accidents.

Sixty of the defendants are in custody or under bond. They are to be arraigned in district court at Hannibal next week. Dillard V. Mardis, former head of an insurance agency at Kirksville, has been accused of being the leader of the alleged ring. He is being held under \$50,000 bond.

The conspiracy count of the indictment, covering the 13-year period from August, 1928, to March, 1941, set out 108 overt acts, describing among others self-inflicted wounds and deliberate amputations to collect fake claims for insurance.

The indictment charged that certain of the defendants struck themselves with hammers, automobile cranks and heavy tools and cut themselves with knives, razors and other instruments in order to represent the self-inflicted injuries as having been received in accidents.

## Smithton Club Charter Night

The recently organized Smithton Lions club received its charter, at a dinner-dance meeting, held in that town, Tuesday night. The dinner was served at the Methodist church, followed by dancing at the Lions Den. There were 136 in attendance.

The charter was presented by Jack McCue, of Harrisonville, district governor, and received by Walter May, president of the Smithton club. The new organization is not in the same district as the Sedalia Lions club, as highway fifty is the dividing line, and Sedalia is in one district, Smithton in the other.

William F. Brown, Sedalia lawyer, was the principal speaker of the evening, and a special stunt in magic work was given by Dr. Gus Salley, of Warsaw.

The invocation was asked by Kalo Monsees, J. Robin Stockman extended the welcome, Kenneth Kirchner, president of the Stover club responded, and there was a song by William Jackson. The assembly closed with a song "Till We Meet Again," with Mrs. B. F. Mahnken, accompanist. John Daniels led a lion roar, and the crowd adjourned to the dance hall, where music was furnished by a Warrensburg orchestra.

The officers are:  
President, Walter May.  
First Vice President, Dick Monsees.

Second Vice President, Ben Mahnken.  
Third Vice President, Victor Hoehns.

Secretary-Treasurer, Cecil L. Smith.  
Lion Tamer, Elroy Lemke.  
Tail Twister, John Daniels.

## Committees Of Pettis Players

Newly-appointed members of the study and entertainment committees of the Pettis Players will meet Thursday night at the home of John Z. Montgomery, 711 West Sixth street, to begin formulation of plans for the club's work and play during the winter season. The study committee, headed by Mrs. Stein Fennell, with Miss Joyce Lynn, Mrs. George Lockett and Mr. Montgomery, will have charge of the serious half of the meetings, while the entertainment committee, with Mrs. Kenneth Husbands, chairman, Mrs. Arthur Powers and Mrs. Tom Kirkpatrick, will take over the second half with short plays, skits and games.

The active members of the club met Monday night at the Powers home for a business meeting, followed by "Curse You, Jack Dalton," a one-act melodrama enacted by seven members of the club.

Other new committees responsible for the new policy of the club will be the ways and means committee, Mrs. Burney Morris, chairman, William Ward and Mrs. J. F. Van Osdel; Membership committee, George Lockett, chairman, Mrs. Katherine Allison and Mr. Montgomery; publicity committee, Mrs. William Ward.

## Further Decline To Grain Futures

CHICAGO, Nov. 26.—(AP)—Grain futures prices today continued to decline under the weight of sales by dealers who do not wish to take delivery of actual cereals in December.

Declines of 3/4 to 1/2 cents in soybean prices, due partly to favorable weather for harvesting, helped to weaken grains. Hedging sales were in evidence in the bean and corn pits in connection with late harvest movement of these crops but corn dealers reported a good shipping business in grain to move out of Chicago.

Wheat closed 1/4 to 1 cent lower than yesterday, Dec. \$1.12 1/4 to \$1.12 1/2, May \$1.18 1/4; corn 1/4 to 1/2 cent down, Dec. 72 1/2c to 72 1/2c, May 78 1/2c to 78 1/2c; oats 1/4 to 1/2 cent off, rye 1/4 to 1/2 cents lower and soybeans 3/4 to 1/2 cents lower.

# Barker's Choices In Closing Books For Grid Season

By Herb Barker.  
NEW YORK, Nov. 26—(P)—Closing the books on the 1941 football guessing contest.

Thursday, Nov. 27

Texas A. & M.-Texas: The Aggies have achieved their first objective — the Southwest conference title — but a bowl assignment still beckons and that should be surety that A. & M. will be "high" for the game even if the traditional rivalry with Texas were not sufficient. Everyone's trying to explain what happened to Texas. Possibly the Aggies will learn that nothing permanent happened to Texas. In the meantime, A. & M. Tulsa-Arkansas: This should be close but the Missouri Valley champions look plenty tough. Tulsa.

Wichita-Oklahoma A. & M.: Probably close. Oklahoma A. & M.

Saturday, Nov. 29

Army-Navy: This should be one of the best games of the year. Army seems to cash in more frequently on its opportunities. However, the Cadets appear sadly over-matched with respect to man power and this ball got to Navy. Fordham-New York University: Peculiar things have happened in this rivalry but the imagination simply can't conceive of an NYU victory. Fordham, decisively.

Next time good friends drop in... serve Fruit Cake and WINE

Delicious refreshment wines such as glowing, full-bodied California Port or golden Muscatel are especially nice for between-meal serving. Try serving wine, and notice how guests appreciate this way to moderate. Wine Advisory Board, 85 Second Street, San Francisco, California.

Wake Forest-Texas Tech: Ditto

Miami-Alabama: And Alabama in this Friday night game.

Washington University-St. Louis: Toss-up. Washington U.

Citadel-Sewanee: Citadel.

New Mexico-Wyoming: In the dark, New Mexico.

## Ready For a Tour of the State of Missouri

The car, parked in the driveway at the Missouri State Fair grounds, will carry the story of the 1942 Missouri State Fair to all cities and towns in the state of Missouri, advertising the annual exposition, as well as the city of Sedalia, in which the fair grounds are located. The idea of such advertising came from Ernest W. Baker, secretary-manager of the fair, and Francis Case will accompany the car. Among the advertising material will be the colored motion films, taken of the 1941 fair, which will be shown at schools and civic club meetings.

## Thirty-seven Golden Glove Boxers Sign

First Time In Years The YMCA Gym Has Been Full of Activity

The prospects for the 1942 Golden Glove boxers in Sedalia this year are far more encouraging than they have been since the opening of the sport nearly seven years ago. Today thirty-seven boys from 14 years of age to 21 years have registered for the boxing instruction at the YMCA gym.

Next month, starting Monday night, Lawrence England and Earl Hallahan will assist the WPA recreational leaders in instruction and supervision of the boxing program. It is expected that by the last of the week the registration list will reach far above the 100 mark as many boxers from out in the district have requested to come to Sedalia to train for this year's tournament.

More Equipment The Sedalia Democrat-Capital sports department has turned over to the recreational program all of the boxing equipment it has purchased in past years and several new items have been added, all of which will be placed in the gym for the convenience and use of the boxers.

It is the first time since Golden Gloves started that the youth of this section have had the advantages of this type of gym. The roadwork can be done on the indoor track. There are two heavy bags to work on, a light punching bag, jumping ropes, and parallel bars for exercising.

A ring is to be placed in the center of the gym floor for the boys to workout in and to receive their instructions in handling the gloves. It will be a regulation size ring.

Thomas "Dolly" Farris, county recreational supervisor for the WPA is in charge of the gym and has made some strict rules to govern the actions of the boys so they will get the best out of their training activities.

All boys are requested to report to the gym this evening and receive their program of instructions. The gym is open from four o'clock in the afternoon until 9 o'clock each night.

## Celebrate At M. U. As Classes Take Walkout

Chant Of 'Rose Bowl, Rose Bowl' From Students

COLUMBIA, Mo., Nov. 26—(P)—Missouri University's football enthusiasm broke into the open today with a walkout from classes and a spontaneous chant of: "Rose Bowl, Rose Bowl."

The excitement started at 9 a. m. in a small snake dance, but it wound through every building on the campus, gathering recruits as it went.

Professors gave up and dismissed classes as their students walked out to join the celebration of the school's second Big Six conference football championship in three years.

Two students, their names not immediately available, climbed on top of four-story historic Switzler hall to ring the traditional victory bell. It was the first time it had been rung since the grid title came to Columbia in the fall of 1939.

A mass meeting developed in front of the campus columns. Students were delegated to bring Coach Don Faurot and his assistants for speeches but they declined on the theory that the unheralded celebration might be in violation of the university rules.

"Deserve Celebration" Met by a reporter as he returned from an out of town trip, Dr. Frederick C. Middlebush, university president, was asked what he planned to do about the celebration.

"There's not much I can do but sit and watch," Dr. Middlebush answered. "Anyway they have behaved pretty well so far and they deserve some celebration for the championship."

By 10 a. m. the snake dance, enlarged to include an estimated 3,000 students had made its way down town and was clogging traffic in the business district.

School work was resumed Monday after the Thanksgiving holidays but university rules provide negative hours for class absences in the first two days after a holiday period.

That was the campus explanation for the fact that the celebration came four days after the 45-6 victory over the University of Kansas at Lawrence, the game that clinched the title and put real pep in bowl game talk.

Back After Faurot Stops were frequent as the ever increasing parade swept through the downtown district. At one of the business intersections the gathering halted and Captain-elect Don "Bull" Reece, hard charging Tiger fullback, was pulled from the crowd which by now included most of the members of the team.

"This is the swellest exhibit of school spirit I've ever seen," Reece shouted. "Boy, it's great." "Where's Faurot, the crowd started shouting again. Student leaders announced that Faurot wouldn't come. "Let's go to him if he won't come to us, the assembly yelled.

The parade started back toward the campus and Rothwell gym, Faurot's office. In front of the library, the coach and dean of men met it. The two were immediately hoisted to student shoulders and deposited on the steps of the building.

"I'm mighty proud to see such fine school spirit," the coach smiled. "For awhile this year we thought it might be dead." "I'm mighty proud of the football team, they're a fine bunch of boys and you should be proud of them too."

This remark brought a tremendous cheer.

"What about a bowl, coach?" someone shouted.

"Alright, I'll tell you about the bowls," Faurot replied. "We have had feelers from all of them, but we don't know a thing yet." "After tomorrow's Texas-Texas A. & M. game and the games on the west coast Saturday, we'll know something more definite."

Faurot and Dr. Hindman, who spoke briefly following him, advocated returning to afternoon classes but their suggestions were met with a noisy veto.

Breaking into small groups the students wandered off to favorite campus haunts with promises to each other to be on hand at the afternoon practice session of the team at Brewer Field.

## Rumor Of Sugar Bowl Choice

NEW ORLEANS, Nov. 26—(P)—Out of the little, smoke-filled Sugar bowl committee room drifted the rumor today that Texas A. & M. would meet Duke in the Sugar Bowl classic January 1 if the Aggies manage to roll back the Texas Longhorns tomorrow.

This lineup would match the currently listed No. 2 and 3 teams of the nation — both undefeated and untied.

The report was just a rumor lacking confirmation or denial. The Sugar Bowl is not confirming or denying anything this week, being too busy in that small board room, talking football endlessly and trying to rig up the big bowl game — already a sellout at 73,000.

the Longhorns can be held under control, and that possibly the Aggies' final game December 6 with Washington State would be cancelled.

Sugar Bowl choices. Texas A. & M. and Duke are in almost a dead heat for the No. 2 team of the nation in this week's Associated Press poll of sports writers, the Aggies leading by 10 points with 922 votes.
